

Letter of Invitation

Dear Sir or Madam

It is a great pleasure to announce the 3rd annual Mannheim Model United Nations Conference (MaMUN) to take place from the 23rd to the 25th of March 2012 in Mannheim. We herewith invite you to take part in this conference held at one of Germany's most redeemed Universities.

Three years ago, MUN Mannheim was a group of eight friends that were enthralled by the Model United Nations spirit. Now, it has grown into one of the largest initiatives at the university and our members travel all over the globe to participate in other conferences. Wanting to share these experiences with fellow students, the MaMUN was born. At first this was just for students studying at the University of Mannheim but this year we have decided to bring together students from all over the world.

Under the slogan "Stimulating Future Progress" MaMUN 2012 will host five committees, which will be discussing a wide variety of topics. It will be the task of the participants to address these issues and derive possible approaches how the world community could react to these.

Your participation will be invaluable to the conference and we will try everything, to make this a wonderful experience for you. For more information you can visit our website (mun.uni-mannheim.de) or check out our Facebook page (MaMUN 2012). You can also just register under mamun.orga@yahoo.de. Also, feel free to pass on this letter to anyone who might be interested.

Registration will close on the 9th of March and we will accompany you throughout your preparation and during your stay in Mannheim. Don't hesitate to contact us if you have any questions.

Sincerely,

Felix Richter
Secretary General
